## Adtraxion Player with integrated 10" LCD display

All in one digital signage device

The Adtraxion Indicio 10" is a digital signage hard- and software device which offers an all in one solution. The combination of a compact Adtraxion Player and the integrated 10" LCD display, greatly enhances ones flexibility, and is capable of serving multiple purposes within a digital signage network.

In situations where a smaller display is desired it is beneficial that a Player and display are developed into one single device. The Adtraxion Indicio 10" fulfills this requirement. As a result, the Adtraxion Indicio 10" greatly fits applications such as meeting rooms, (counter) desks, cash registers, store shelves, and so on.
